

Art & Creative Writing Showcase

Celebrating Friendship this Children's Week

Friendship

Be creative!

Draw a picture
Paint a picture
Write a story
Take a photo
Make a sculpture
(& take a photo of it)

Make art on the computer
Write a play
Make a collage
Create a mosaic
Write a poem

*Every artist
who creates a
submission
will also
receive a
special gift for
themselves &
a friend*

Australian
Childhood
Foundation

create art in the theme of
friendship to share with us.

childhood.org.au/creative-showcase

THE ARTIST SPARK

Let your imagination
run wild!

Close your eyes and think about your very
special friends. How do you feel when
you hear their voices or see them?

Can you
imagine playing
together?
What games do
you like to play?

How does
having
friends make
you feel?

What do you
love about
your
friends?

What can you
create to tell your
friend how much
you like to play
with them?

Could you draw or write
something about your
friend that shows how
you feel?

Could you write a poem,
make a collage, take a
photo or paint a picture?

Use your wild imagination to make an artistic creation!
What can you create to share your friendship with the world?

Think about when you laughed and played together then start making!

Talk about what you would like to create with your mum, dad, or
another adult who is helping you - then it's time to get started.

**We can't wait to see what you create to tell us all about your
friendships!**

When you finish your creation it can be sent to us online or in the
mail.

**And guess what? When you send your artistic
creation to us, we will send you back a very
special friendship gift!**

Tips on Submission

To celebrate Children's Week, children and young people across Australia are invited to participate in sharing their voice through art & creative expression.

Here are some tips on submitting artwork to the showcase

1 This year we're asking for artworks that represent friendship. Artists might want to create art or a story about a friend, someone they wish was a friend of theirs, something they love about a friend or how a friend makes the artist feel.

2 Every artist who creates a submission will also receive a special gift for themselves and a friend.

3 Enjoy using different mediums they enjoy including drawing, writing, painting and other visual arts.

4 All submissions must have permission of a parent or guardian. By making a submission that adult agrees to our terms & conditions which can be found at www.childhood.org.au/creative-showcase/

5 When submitting visual art, try scanning images or taking high-resolution photos that look great when blown up large on a computer.

6 Works can be submitted via our website or posted in to PO Box 3335 Richmond VIC 3121 (Sorry, we won't be able to return any creative works so make sure you take a photo or keep a copy).

7 To be fair to all our artists, please only submit a maximum of 5 entries per person.

Creative Writing

Let your imagination run wild with a story, poem or play!

You might want to write about a friend of yours, someone you wish was your friend, how your friends make you feel or any other stories about your friendships.

First Name: _____

Story Title: _____
